

JOB TITLE: DZ Driver (Placement Technician)
LOCATION: Kitchener, Ontario
APPLICATION SUBMISSION DEADLINE: Open until filled

BigSteelBox - Canada's most diversified shipping container company is looking for a **DZ Driver (Placement Technician)** at our **Kitchener, ON store**.

This is a permanent, full-time position starting as soon as possible. Salary is dependent on experience. Benefits and a matching RRSP program will be provided after 3 months. Store hours are Monday to Friday, 8:00 am – 5:00 pm (overtime may be required as needed).

Working as a Placement Technician for BigSteelBox is not your average trucker's gig. Our drivers are vital for our business. Having a great experience with our drivers can be the difference between a positive and negative experience. Often, they will be the only representative from BigSteelBox to meet our customers face-to-face. As such, they need to have great people skills in addition to being safe and professional drivers.

"We love our family" is one of our six core values. This means you'll be supported every step of the way on your journey with us. Wouldn't it be silly for us to expect you to treat people with respect if we're not treating you the same way?

"We have fun" is another one of our core values. While we take our business and our responsibilities seriously, we also know life is better when you enjoy your day! You can expect comradery with your co-workers and lots of laughs. Don't you want to come home with a smile on your face at the end of the day? Okay, you probably get the idea that we think BigSteelBox is an awesome place to work, so we'll stop with the pitch.

The ideal candidate works under the supervision of the Store Manager and will serve both residential and commercial customers. Safety is the most important metric for us, so you'll need to have a safety mindset in addition to your other skills.

With a network of locations across Canada, BigSteelBox serves both residential and commercial customers. The company has three dynamic business streams – residential moving and storage; construction and commercial storage; and structures (workforce housing and modifications for industrial use).

Go ahead and apply. It could be the best decision you'll make today!
