**JOB TITLE:** Class 3 Driver with Airbrake License (Placement Technician)

**LOCATION:** Abbotsford

**Salary Range:** \$25 – \$30 per hour

**APPLICATION SUBMISSION DEADLINE:** Open until Filled

BigSteelBox—Canada’s most diversified shipping container company—is looking for a Class 3 Driver (Placement Technician) to join our Abbotsford, BC team.

This is a permanent, full-time position starting as soon as possible. We offer a competitive base salary (dependent on experience), a profit-sharing plan, and a comprehensive benefits package, including a matching RRSP program after 3 months. Our store hours are Monday to Friday, 8:00 am to 5:00 pm, with overtime required as needed.

Working as a Placement Technician at BigSteelBox is not your average truck driving role. Our drivers are essential to our success—often serving as the only face-to-face interaction customers have with our company. Because of this, delivering a positive, professional experience is key.

In this role, you’ll work under the supervision of the Store Manager, serving both residential and commercial customers. We’re looking for someone who is not only a safe and skilled driver, but also brings strong people skills and a customer-first mindset. Safety is our top priority, so a strong commitment to safe work practices is essential.

We’re proud to be certified as a Great Place to Work®, based on direct feedback from our employees through an independent survey conducted by Great Place to Work Institute® Canada. Visit our [website](#) to learn more about our [core values](#) and what drives us at BigSteelBox.

#### **THE EXPERIENCE AND QUALIFICATIONS WE ARE LOOKING FOR:**

- Class 3 with airbrake License
- Clean driver’s abstract
- 3 years of professional driver experience
- Towing/tilt deck truck experience is an asset
- Forklift Operator Certificate an asset
- Knowledge of safety operations and regulations
- Able to speak, read, and write English

#### **WHAT YOUR PRIMARY RESPONSIBILITIES WILL BE:**

- Delivers and picks up (locally) empty/loaded BigSteelBoxes (shipping containers)
- Safely operates and ensures ongoing maintenance of company vehicles
- Keeps logbooks accurate and up-to-date
- Loads/unloads, secures loads, tarps/straps loads as required
- Operates a forklift/other support equipment at the store if required
- Communicates with customers enthusiastically and delivers excellent customer service

- 
- Pressure washing, Decaling, & Re-painting BigSteelBoxes (shipping containers) as needed
  - Assist in delivery schedule optimization
  - Assist the Store Manager in any other duties as required

**REQUIRED SKILLS/CORE COMPETENCIES:**

- Accountability - Takes personal ownership and responsibility for the quality and timeliness of work
- Adaptability - Adapts and responds to changing conditions, priorities, and requirements
- Communication - Expresses and transmits information verbally and in writing consistently and clearly.
- Networking and Relationship Building - Effectively build constructive, friendly, professional relationships with customers and colleagues
- Planning and Organizing - Accurately estimate the duration and level of difficulty of tasks and projects.
- Problem Solving - Uses logic and analytical methods to come to a realistic solution.
- Service Orientation - Provides superior service to both internal and external customers.
- Teamwork - Works cooperatively and effectively with others to reach a common goal. Participates actively in group activities, fostering a team environment.

We thank all applicants in advance. However, only those selected for an interview will be contacted.
